Mr. Britt Snider, Minority Counsel  
Senate Select Committee on Intelligence  
211 Senate Hart Office Building  
Washington, D. C. 20510-6475

Dear Mr. ~~Snider~~: *Britt*,

I appreciate your review and consideration of our problems on HR 4065, the Federal Energy Improvement Act. I was aware when I spoke with you that we did not have a strong case. The Office of Logistics pressed me to at least raise the issue with you. Thanks for listening.

I do, however, believe we have good cause to seek relief from S 2488, the Parental Medical Leave Act. I have arranged to see Kristine Iverson and Kevin McGuiness, minority staff member and minority staff director for the Senate Labor and Human Resources Committee respectively, on Friday morning. I will let you know if I run into difficulties. Senator Hatch is also a Member of this Committee, and I have learned he is opposed to the Bill because of the impact on the business community.
